SUMMARY

I'm a final-year Software Engineering student with experience in .NET (1+ years) and Spring Boot (6 months). I have developed strong backend knowledge through academic projects, and I also previously explored a bit of Ruby on Rails. I'm eager to learn, grow into a full-stack role, and contribute my skills in a professional environment.

TECHNICAL SKILLS

Programming Languages: C/C++, C#, Java, JavaScript, TypeScript

Frameworks: ASP.NET Core, Entity Framework Core, Spring Boot, ReactJS

Databases: SQL Server, MySQL, PostgreSQL

Tools: Visual Studio, Rider, Git, Postman, Cloud (Azure, Google, AWS)

Other Knowledge: OOP, Agile/Scrum, RESTful API/APIs, Microservices

KEY ACHIEVEMENTS

3rd Place – HutechITCoder Monthly Programming Contest (Sep 2024)

Top 10 Teams – HDBANK Hackathon 2024 (Season 3)

Finalist – Database Design Champion

PROJECTS

ZEIN Team Planner - Team Management

May 2025 - July 2025

ASP.NET Core MVC, Entity Framework, SQL Server, Html css, Bootstrap 5, SignalR

- Developed core features: Calendar, Dashboard, Groups, and Notifications with ASP.NET Identity authentication.
- Built user interfaces for smooth interaction.
- Integrated SignalR for real-time notifications.
- Optimized database queries for better performance.

ZEIN Commter – Backend API for a chat application (Personal)

Sep 2025 - Present

Spring Boot, JWT, WebSocket, Supabase (PostgreSQL + Storage)

- Built features for messaging, group chats, user profiles, and notifications following the structure of controllers, services, DTOs, and repositories in a Spring Boot MVC API.
- Designed the initial database schema and used Supabase buckets to store images, videos, and other files.
- Implemented WebSocket features with AI-assisted support for real-time communication.

ZEIN IDE - Cross platform IDE (Based on Eclipse Theia)

March 2025 - Present

TypeScript, React, Node.js, JSON-RPC, Theia extensions API

- Developed dynamic toolbar and preload UI components for a customized IDE using Eclipse Theia.
- Configured JSON files and proposed key solutions for project implementation.
- Contributed to developing HUTECH IDE, a branch later forked from Zein IDE, proposed as a coding tool for the Programming Techniques course at HUTECH University.

EDUCATION

Ho Chi Minh City University of Technology (HUTECH)

Oct 2022 - Present

Software Engineering

GPA: 3.1/4.0

SKILLS

English (Intermediate): Reading technical documents, basic communication

Teamwork & Communication

Problem-solving & Logical Thinking
